### Coming soon: Members can submit more claims online

Plan members are busy and always on the go. They have enough things to worry about and submitting claims shouldn't be one of them. That's why we're making it so your members can submit more claims online.

Through the GroupNet for Plan Members site or app, members will be able to submit more claims online than ever. Claims for medical equipment, hospital stays, ambulances, laser eye surgery and many more will be added to online claims later this summer.

They can skip the mailing time and postage costs and submit their claims online with their receipts. All they need to do is take a photo and attach their claim documents—it's fast and easy!

Watch for more information about online claims coming soon.
